INTERNATIONAL

# FORENSIC PHOTOGRAPHY SYMPOSIUM

**JANUARY 19-22, 2026**

# SPONSORSHIP

**FORENSIC
PHOTOGRAPHY
SYMPOSIUM**

The Forensic Photography Symposium is a first of its kind virtual gathering of forensic photographers from around the globe to share knowledge, techniques, promote the study, and enhance the stature of forensic photography.

The 5th annual FPS will be held from January 19-22, 2026 and will run from 12pm to 5pm Eastern, each day with some additional morning workshops and networking events. The event will bring together forensic photography professionals, crime scene investigators, academics, technology companies and software developers who will have the opportunity to exchange ideas and discuss solutions to problems regularly encountered in the forensic photography discipline. Due to its virtual format, the FPS will be open to attendees not only nationally, but internationally as well.

The Forensic Photography Symposium is offering four sponsorship levels for the 2026 event.

- **Exclusive Workshop or Webinar:** Conduct an exclusive workshop or webinar during the conference, providing an in-depth session related to your products or services.
- **Premium Visibility:** Featured in the opening or closing remarks, offering maximum visibility during the event.
- **Exclusive Prize Sponsorship**: Option to exclusively sponsor a specific prize category, increasing visibility and association with a particular aspect of the event.
- **Post-Event Promotion:** Extended acknowledgment and promotion of prize sponsors beyond the event, showcasing contributions in post-event communications.
- Company **logo** on conference website / social media
- Interview with company representative **broadcast on social media** platforms
- **Full page advertisement** in symposium digital program
- Attendee polling option and list provided to vendor
- **Dedicated breakout room** during networking event
- **5-minute video advertisement** played during breaks
- **4 free registrations**
